### April 1st - Til the Storm Passes By

Verse 1 of *'Til the Storm Passes By* speaks of the crashing of thunder and howling storms. Weather and physical events.

In the dark of the midnight have I oft hid my face  
While the storm howls above me, and there's no hiding place;  
'Mid the crash of the thunder, Precious Lord, hear my cry!  
Keep me safe till the storm passes by.

Verse 2 indicates the attempt of Satan to tell us there's no hope. Emotional and spiritual events.

Many times Satan whispered, "There is no need to try  
For there's no end of sorrow, there's no hope by and by."  
But I know Thou art with me, and tomorrow I'll rise  
Where the storms never darken the skies.

The chorus provides the absolute assurance that no matter what type of storm we may be encountering, God provides us with the security and shelter of His safety 'til the storm passes by.

Till the storm passes over, till the thunder sounds no more  
Till the clouds roll forever from the sky  
Hold me fast, let me stand in the hollow of Thy hand  
Keep me safe till the storm passes by.

How long we may have to endure the storm is unknown to us. So, let us stand courageous, even 6 feet away, and know that He cares for His people who call upon His name.
