

A Musical Pick from Amy

March 15th **He Will Carry You Through**

As we are in the midst of this world-wide pandemic, we are struggling to find peace, to find answers, to get home from international travel, to work, to go to school. I just came home from an appointment and the staff is going to be laid off indefinitely. We have seen emotions run high in fervor of purchasing the last package of toilet tissue. Financially, we are concerned about pending recessions. Our restaurants, businesses and churches have been closed in unprecedented measures. Never in my lifetime have I seen these kinds of events.

However, our Almighty God is fully aware of the situation and all He wants us to do is to trust Him. He will carry us through. Praise Him through the midst of this storm and this time of Lent. Perhaps this is a time for us to grow closer than ever to our Lord. He loves us and will carry us through this storm.
