

A Musical Pick from Amy

March 26th One Pair of Hands

I'm now solely working from home; there's not going to be any reason to move into our new offices in the fall as my division is now mostly telecommuting or at least working remotely.

This week has not been without its stresses, challenges and moments of frustration and then I remember we are in the season of Lent....my 40 days of giving myself unto the Lord. I realize I've failed and fallen into the temptation of panic, lack of faith and anxiety. Two statements from scripture provided the comfort I needed to hear:

- I can do all things through Christ Who strengthens me.(Philippians 4:13.)
- Cast all your care upon Him, for He cares for you.
(1 Peter 5:7)

One Pair of Hands was a song I'd never heard of until just a couple of years ago. Strangely, the song has been sent to me twice this week. When you hear the words, may you draw courage and strength to face the challenges each day.
