Title: Love – The Same, Yet Different

The Message: If somebody asks you to do something and you don't understand what they mean, you should ask them to explain. Then you should respond in the way that God would want you to.

Title: Love - Hate

The Message: Some of us love the taste of lemon juice. Some of us hate the taste of lemon juice. All of us have different things that we love and hate. However, it is never OK to hate another person. God tells us that we must love other people – ALL other people – in the same way that we love Him.

Title: Hard to Erase

The Message: It is impossible to erase something that you have written in ink or crayon. Even if you erase pencil there is often still a trace of the mistake that you are trying to correct. When you do something wrong, you can never erase the hurt that it caused another person. All you can do is ask for forgiveness. God has taught us to forgive others, just as He forgives us. All we have to do is ask, and God will erase all of our mistakes.

Title: Passing By

The Message: We use our senses to see and hear and feel when someone is passing near us. We can also watch and listen for God's presence because we can see and hear the signs of His actions. We can also feel His presence, if we pay attention.

Title: No Thumbs

The Message: It's harder to throw a ball or take a drink or give a high-five if you don't use your thumbs. Thumbs make life easier. It's harder to live right if you don't trust God. God makes everything easier.

Title: God can!

The Message: There are a lot of things that humans can do. We can build space ships, prevent some diseases and make great works of art, but we cannot create a blade of grass. Only God can bring things into existence. When we're feeling powerless or hopeless or defeated, we have to remember that God can also create the healing that we need.

Title: Our purpose

The Message: A toaster is of no use to us if we want to stay dry during a rainstorm. We would never use an umbrella to make a piece of toast. Both a toaster and an umbrella are made for a very specific purpose. When God made each of us, He made us for a purpose. Each one of us is unique, and each one of us is on Earth for a reason. We just have to find our purpose.
